AUDIT REPORT

We have audited the attached Balance Sheet of **SABROOM NAGAR PANCHAYAT, Sabroom, South Tripura as at 31st March 2023** and the Income & Expenditure Account, Receipts & Payments account for the year ended on that date, annexed thereto. These Financial Statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on test basis, evidence supporting the amount and disclosures in the financial statement. An audit also includes assessing the accounting principles used, the significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides reasonable basis for our opinion.

We further report that:

- (1) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (2) Subject to our observations, in our opinion, proper books of account have been kept by the corporation so far as appears from our examinations of books.

Ref. No.

Date

(3) The Balance Sheet & Income and Expenditure Account dealt with by this report are in agreement with the books of account.

(4) Subject to our observations below, in our opinion and to the best of our information and according to the explanations given to us, the said accounts give a true and fair view,

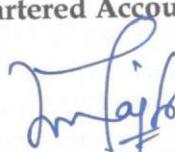

(a) In case of the Balance Sheet, of the State of Affairs of the Panchayat as at **31st March 2023**.

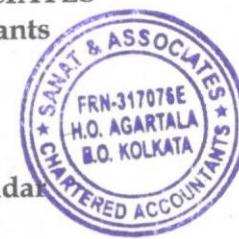

AND

(b) In case of Income & Expenditure Account of the Excess of income over expenditure of the organization for the year ended on that date.

SIGNIFICANT ACCOUNTING POLICIES & NOTES ON ACCOUNTS.

1. Accounting Conventions:

These financial statements are prepared in accordance with applicable accounting standards for local bodies in India and in accordance with relevant presentation requirement of The Tripura Municipal Accounts Manual (TMAM), issued by the Urban Development Department, Government of Tripura, & the National Municipal Accounting Manual (NMAM), issued by the Government of India, Ministry of Urban Development. The financial statements are prepared under historical cost convention.

2. Accounting Concept:

These financial statements are prepared on the assumption that an urban local body is a going entity and will continue in its service operation for the near future. Hence, it is assumed that the urban local body has neither the intention nor the need to liquidate or curtail materially the scale of its service operations.

3. Basis of Accounting:

In order to meet the objectives set by the Government of India, financial statements are prepared on the accrual basis of accounting following double entry principles of accounting. Under this basis, the effects of transactions and other events are recognized when they occur (and not as cash or a cash equivalent are received or paid) and they are recorded in the accounting records and reported in the financial statements of the periods to which they relate, except as stated otherwise.

4. Accounting Standards for local bodies (ASLB) for Assets:

The Indian Accounting Standards for local bodies (ASLB) issued by the Institute of Chartered Accountants of India (ICAI) which have a bearing for the purpose of accounting & valuation of assets are:

- ❖ Accounting Standards for local bodies (ASLB) 4-Borrowing Costs
- ❖ Accounting Standards for local bodies (ASLB) 5- Property, Plant and Equipment,
- ❖ Accounting Standards for local bodies (ASLB) 6- Events after the reporting date.

5. Classification of Assets:

As per the National Municipal Accounting Manual (NMAM) issued by the Ministry of Urban development, Govt. of India & the Tripura Municipal Accounts Manual (TNAM) issued by the urban development department, Govt. of Tripura, assets of the Sabroom Nagar Panchayat (SNP) have been Primarily Classified as follows:

Infrastructure Assets:-

- a. Roads & Bridges
- b. Sewerage & Drainage
- c. Water works
- d. Water bodies & waterways
- e. Public Lighting

Other Assets:-

- f. Land
- g. Buildings
- h. Plant & Machinery
- i. Vehicles
- j. Furniture, Fixtures, Fittings & Electrical Appliances
- k. Office & other equipments
- l. Other Fixed Assets

Land:

Land includes parks, playgrounds, agricultural land, Dhabighat, Dumping ground, Tonga, rickshaw, taxi (other than underground taxi stands) and cycle stand, parking places (other than those which are covered) and any vacant site on which no construction has taken place. Where assets such as buildings, roads, bridges etc. are constructed on land, all land (including covered land) has been shown as under this head.

Buildings (including structures):

Buildings include Office-Buildings, School-Buildings, Public-conveniences, Hospitals, Dispensaries, Maternity and Child welfare centers, Shopping-complex, Town Hall Building, Community Centers, Staff Quarters, Rest-house, Milk Dairy, Workshop Buildings, Fire stations, Stores Building, Covered taxi stands, Covered parking areas, Lavatory Blocks, Urinals, Dustbins and garbage vats, etc.

Structures include public fountains and others which cannot be classified as buildings but are nevertheless of a permanent nature.

Land under buildings has been separated and shown distinctly under 'Land'.

Roads & Bridges:

This includes several types of assets including Roads, pavements, footpaths, bridges, subways, over bridges, Flyovers, culverts, and causeways.

Sewerage and Drainage:

This includes items like roadside drains, underground drains, sewerage network etc. Plant and Machinery for stations including pumps etc. has been classified under this head. Land and buildings for sewerage has been already classified under 'Land' and 'Building' earlier, and has not been included here.

Water Works:

This includes all items related to water works such as bore wells, treatment plants, reservoir, overhead tanks, pipelines, plant and machinery for water works etc. Land and buildings for sewerage has been already classified under 'Land' and 'Building' above, and has not been shown here.

Water Bodies & Waterways:-

This includes all water bodies like ponds, tanks and lakes that RMP owns for its use or for the use of its citizens. These water bodies at some point of time can become the source of water supply for the citizens of the city / town.

Public Lighting:

This covers all assets related to lighting and includes electrical installations like transformers, cables etc, lamps and fittings and poles. Any electrical installation other than for public lighting has been covered under subsequent head of 'Furniture, Fixture, Fittings & Electrical Appliances'.

Plant and Machinery:

Plant and machinery include all engineering equipments like road rollers, bulldozers etc., medical equipments used in hospitals, dispensaries and maternity centers, scientific equipments, generators, clock tower etc. This doesn't include plant and machinery used specifically in waterworks, pumping stations, sewerage treatment plant etc. which are already classified under those heads.

However, plant and machinery used for other purposes has been included under this head.

Vehicles

Vehicles include all types of trucks, water tankers, buses, jeeps, cars, two wheelers, three-wheelers and loaders, etc. Mobile machinery such as Road Rollers and Bulldozers has not been classified as vehicles as their primary purpose is not transportation.

Office & Other Equipments:

All items of office use such as computers, peripherals, photocopy machines, type-writers, communication and telecom equipments would be recorded under this head. Other equipment (which may not be used in office) has also been recorded under this head.

Furniture, Fixture, Fittings & Electrical Appliances:

They include metal as well as wooden chairs, tables, racks, cupboards, water Coolers, fans, air-conditioners, refrigerators, TV etc. Items which can be classified as Office and Other Equipment have been first classified under that head. Else has been included here. It also includes all types of Installation cables, lamp posts, mercury vapor lamps, sodium vapor lamps, light fittings, power points, etc., used in the buildings and other premises used by the SNP (other than those used for street-lighting as they are included under the heading 'Public lighting').

Other Fixed Assets:

This includes all other assets not specifically covered in any of the earlier heads. It includes for instance, intangible assets such as software, rights etc. Specific assets with different valuation or re-use norms (such as Heritage assets, works of arts etc.) may also be classified as separate sub-groups under this head.

6. Accounting for 'Capital Work in Progress':

'Capital Work in Progress' includes costs of constructing fixed assets before construction is substantially complete. The identification of items of construction as Capital Work in Progress means that the item is intended to be capitalized once it is complete / put into use. Capital Work in progress (CWIP) is included in the fixed assets group of assets but is only an interim account, until the asset is put in to use. In particular:

- CWIP is not recorded in any of the asset registers. Instead, a separate CWIP register is maintained to record progressive bills for construction;
- Any amount paid for purchase/ construction of an asset which has not been completed / put to use has been shown as CWIP and recorded in the CWIP register;
- No depreciation is charged on CWIP since the asset has not been put to use;
- The asset will be transferred from CWIP to fixed asset register when it is put to use. Hence, CWIP register should be reviewed regularly for such items.

7. Accounting for Fixed Assets:

Following the National Municipal Accounting Manual (NMAM) and the Tripura Municipal Accounting Manual (TMAM), fixed asset accounting / valuation are done as per the following:

- ❖ All Fixed Assets has been carried at cost less accumulated depreciation. The cost of fixed assets includes cost incurred / money spent in acquiring or installing or constructing fixed assets and other incidental and indirect expenses incurred up to that date.
- ❖ The cost of a fixed asset includes:
 - (a) purchase price, less trade discounts & rebates, if any;
 - (b) import duties;
 - (c) other taxes or levies which are non-refundable in nature;
 - (d) transportation cost, if charged separately from the purchase price;
 - (e) Cost of inspection, if paid separately;
 - (f) Handling costs;
 - (g) Cost of site preparation;
 - (h) Installation cost, including cost of such permanent or temporary structures that are considered necessary for installation;
 - (i) Professional fees for engineers or architects or inspectors, etc; and
 - (j) Any other cost incurred to put the assets at its location and use.
- ❖ Any Fixed Asset, which has been acquired free of cost or in respect of which no payment has been made, has been recorded at nominal value of Re.1/-

[Rationale of Valuation at Re. 1/-]

It sometimes appears that Re.1/- valuation is of no significance in the overall fixed assets block of the SNP being an ULB which run in to cores. Hence, it would perhaps make no difference if the asset was valued at NIL. This is erroneous. The reason for valuing assets at Re.1/- is to ensure that the asset is identified and tracked in the fixed asset system. Non-recognition of the asset or NIL valuation would not allow the asset to appear in the Fixed Asset Register]

- ❖ As per Tripura Municipal Accounting Manual (TMAM), all assets costing less than Rs. 2,000/- has been expensed/ charged to Income and Expenditure account in the year of purchase.
- ❖ Interest on borrowings directly attributable to acquisition or construction of qualifying fixed assets up to the date of commissioning of the assets has been capitalized.
- ❖ The cost of an item has been recognized as a fixed asset if:
 - (a) The asset is held for producing or providing goods or services and is not held for sale in the normal course of business;
 - (b) The future economic benefits or service potential associated are expected to flow to the entity;
 - (c) The estimated useful life of the assets is beyond one year; and
 - (d) Is beyond the minimum threshold limit for recognition as fixed asset.

❖ **Self constructed assets**

In cases where Municipal Council constructs the assets itself (Office building, etc.,) the cost of construction of that building and other costs which are directly attributable has been taken into consideration in arriving at the value of the building. This means that all the material cost of construction, payments made to the various contractors, etc. has been included.

As per AS-10, administration and general overhead are excluded from cost of fixed assets as they do not relate to specific fixed assets. However, if such expenses are related to construction or acquisition of particular fixed assets, then it has been capitalized.

Any addition to or improvement to the fixed asset that results in increasing the utility or useful life of the asset has been capitalized and included in the cost of fixed asset.

An increase in net book value arising on revaluation will be credited to a reserve account under the Municipal fund as 'Revaluation Reserve Account'. A decrease in net book value arising on revaluation of fixed assets will be charged to Income & Expenditure accounts.

Assets recorded in the register but not physically available shall be written off after a period of five years.

Expenditure in the nature of repairs and maintenance incurred to maintain the asset and sustain its functioning or the benefit of which is for less than a year, shall be charged off as Revenue Expenditure.

Revaluation of assets is recommended only on an exceptional case. When revaluation of asset is carried out the value of assigned upon revaluation of a class of assets shall not result in the net book value of that class being greater than the recoverable amount of the assets of that class. Revaluation reserve shall be reduced by transfer of equivalent amount of depreciation charged on the revalued portion of the cost of the fixed assets.

8. Estimated Useful Life & Depreciation Rates:

The value of an asset in future years (after recognition in financial statements) is the Book Value, which is calculated by deducting Accumulated Depreciation from the Historical Cost of the asset. The Estimated Useful Life & Depreciation Rates has been prescribed by the TMAM and has been used in preparing the financial statements.

9. The basic principles with regard to depreciation are:

Depreciation has been provided at the rates prescribed in by the TMAM, on all fixed assets using Straight Line Method consistently. The Accounting Standard as well as NMAM allow Written Down Value Method and Straight Line Method, and recommends any of these two methods. NMAM states that whatever method is used, it should be applied consistently.

Depreciation has been provided at full rates for assets, which are purchased / constructed before October 1 of an Accounting Year. Depreciation has been provided at half the rates for assets, which are purchased / constructed on or after October 1 of an Accounting Year.

Depreciation has been provided at full rates for assets, which are disposed on or after October 1 of an Accounting Year. Depreciation has been provided at half the rates for assets, which are disposed before October 1 of an Accounting Year.

10. Current Assets in the case of Sabroom Nagar Panchayat consist of the following:

- a. Cash in hand;
- b. Cash at bank;
- c. Stores and spares;
- d. Prepaid expenses;
- e. Sundry Debtors (Receivables)
- f. Interest on investments;
- g. Interest on bank deposits;
- h. Interest on loans and advances;
- i. Recoverable deposits, and
- j. Receivables against Deposit works;

Sundry Debtors (Receivables): Receivables include the following:

- a. Arrears of property tax
- b. Arrears of all other taxes, licenses, and fees
- c. Interest on investments
- d. Recoverable deposits
- e. Receivables against Deposits works
- f. Grant receivable

11. Liabilities in the case of MC consist of the following:

- a. Long and Short Term Borrowings;
- b. Current Liabilities;
- c. Provisions for Doubtful Receivables;
- d. Balances of Government Grants;
- e. Retirement Benefits; and
- f. Municipal General Fund;

Current Liabilities: Current liabilities constitute the following:

- a. Bank overdraft;
- b. Security deposit/ Retention money/ Earnest money from contractors and suppliers;
- c. Deposit works;
- d. Other deposits;
- e. Advance collection of taxes and non-taxes;
- f. Income tax deducted payable;
- g. Sales tax payable;
- h. Interest accrued but not due on loans;
- i. Unpaid salary and other employee related benefits;
- j. Unpaid electricity bills;
- k. Unpaid bills of suppliers and contractors, including payable to Government agencies; and
- l. Recoveries from staff -payable;

12. The principles relating to accounting of assigned revenues:-

All "assigned revenues" like share of motor vehicle taxes, share of stamp duty, shall be accounted during the year on actual receipt basis.

However, at the year end, if the sanction orders for release of funds were issued but funds were actually not remitted, such amount has been accrued as receivable for the year by debit to the "assigned revenue receivable".

13. Head of Accounts and Codes:

The Coding Structure for Municipalities of Tripura contain of the following groups or segments, viz.

- a. Municipality code;
- b. Fund Code;

- c. Field Code (Zones and Ward)
- d. Function-Functionary Codes (Budget Centers); and
- e. Account Head;

Municipality Code:

Each ULB of the state of Tripura has been assigned an unique Municipality Code. **For Sabroom Nagar Panchayat.**

Fund Code:

Funds are instituted for achieving certain objectives. TMAM is proposing fund wise budgeting and accounting for better governance of Municipal funds. As per TMAM, funds are classified into two brought fund categories. The categories are major fund code (2-digit) and minor fund code (2-digit). Hence the total code length is 4-digits. For example, Solid Waste management fund under Municipal Fund will be denoted as follows:

| Major Fund Code | Description | Minor Fund Code | Description | Remarks |
|-----------------|----------------|-----------------|-----------------------------|---|
| 10 | Municipal Fund | 04 | Solid Waste Management Fund | To Consider all transactions that concern provision of SWM services for the entire ULB. |

Field Code (Zone and Wards):

Field represents the geographic distribution of the Municipalities. A 'Field' represents the geographic area to which the income or expenditure relates. Field codes are intended to assist in identifying Income and Expenditure specific to a particular geographic area, e.g. Electoral Ward, etc.

The Field Code recommended for ULBs of Tripura is of two levels:

- a. Major Field Code (2-digit)
- b. Minor Field Code (2-digit)

The major field code comprising of 2-digit code represents the "Zones" or "Divisions" which comprises of a number of 'electoral wards'. The minor field code comprising of 2-digit represent the "electoral wards". For example the field code of say Ward xx of Head Office may be as follows

| Major Field Code | Zone Description | Minor Field Code | Ward Description | Remarks |
|------------------|------------------|------------------|------------------|---|
| 01 | Head Office | 09 | Ward XX | To record all financial transactions that concerns the specific ward. |

Function-Functionary Codes (Budget Centers):

Function represents the services offered or specific functions performed by the Municipality. Under the present system of the ULB, various departments/sections are actually responsible for all functions for which the ULB is responsible. Each ULB demands for income and incur expenses through their departmental setup. These departments or **functionaries** are responsible for discharging the functions and become the responsibility center for the assigned **functions**. The Function and Functionary Segment represents this.

The segment has three component

- a. Function Group (2-digit)
- b. Function Head (2-digit)
- c. Functionary Description (2-digit)

The total code-length of this segment is of six digits.

| Function Group Code | Function Group Description | Function Head Description | Functionary Code | Functionary Description |
|---------------------|----------------------------|---------------------------|------------------|-------------------------|
| 00 | General Administration | Finance, Accounts & Audit | 02 | Billing Cell. |

Account Head:

The segment for the account head in the chart of accounts string would denote the description of the account head that involves in a particular transaction. There can be four different types of accounts head depending on the nature of the account head, which are as below:

- a. Revenue Income
- b. Revenue Expenditure
- c. Capital Receipts and Liabilities
- d. Capital Expenditure and Assets

As per the coding structure prescribed under NMAM, the entire code of account string is broadly divided into "**Primary Account Head**" and "**Secondary Account Head**". The sub-division of the heads are as below:

a. Primary Account Head

1. Major Head;
2. Minor Head; and
3. Detailed Head

b. Secondary Account Head

1. Sub-ledger Type;
2. Sub-ledger Detail

Numeric codes of 7-digit shall represent the **Primary Account Head** describing the account head. A 7-digit code suggested so to allow flexibility to add new codes in the future. The primary account head structured as:

- a. Major Head Code (3-digit);
- b. Minor Head Code (2-digit); and
- c. Detailed Head Code (2-digit);

Example of Primary Account Head

| Primary Code | Description | Secondary Code | Description | Code | Description | Code | Description | Remarks |
|--------------|----------------|----------------|-------------|------|--------------|------|--|---------|
| 1 | Revenue Income | 10 | Tax Revenue | 01 | Property Tax | 01 | Property Tax on Residential Properties | |

The Secondary Account Head would provide further details of the primary account head and would specify the detailed ledger head under each primary account. The Secondary Account Head would be two parts – sub-ledger type and sub-ledger details. The NMAM did not prescribe the secondary head structure and left the same for respective states to decide and structure.

For the ULBs of Tripura, the TMAM prescribes the secondary account heads like:

- a. Property Tax Receivables segregated in years of demand as "PT2009", "PT2010", "PT2011" and so on;
- b. Bank Accounts numbered as "BN0001", "BN0002", "BN0003", so on;
- c. Creditors and Payables or outside parties as "P00001" for BSNL, "P00002", "P00003" and so on.
